

REMARKS

By this supplemental amendment, claim 5 is canceled and claims 6 and 7 are amended. This was in response to the Notice of Non-Compliant Amendment which indicated that a withdrawn claim (claim 5) could not be dependent on a canceled claim (claim 2) despite that the withdrawn claim is not examined. Accordingly, this claim has been canceled as well.

In addition, withdrawn claims 6 and 7, which depended from claim 5, have been amended to depend from claims 1 and 6, respectively, also despite the fact that these will not be examined.

Lastly, previously added, new claims 33-44, added in the Amendment of March 20, 2005, and thus, presumably entered, are herein designated as “previously presented” to avoid any confusion in the Patent Office that Applicants are required to pay for these claims again.

In view of the above amendment, applicant believes the pending application is in condition for allowance.
